2011-2: A Basque year

Basque Music Concert with NOKA

Noka is a trio of Basque American women, who perform songs in Basque about women, particularly those using the 'noka' familiar female address form. Andréa Bidart, Begoña Echeverría, and Cathy Petrissans are from Chino, CA, and they hope to revive interest in songs about women through their music. They put on an amazing show - NOT TO BE MISSED!!
